

REMARKS

This is in response to the Notice of Non-Compliant Amendment dated February 1, 2006, in which Applicant's response filed January 10, 2006 was deemed non-compliant because claim 29 was not present nor referenced.

Due to an oversight when filing the application, claim 29 was not included, the claims being numbered through claim 28 and continuing from claim 30. Claim 29 was never included amongst the claims in the application.

In order to comply with the Notice dated February 1, 2006, Applicant is resubmitting the claims in which claim 29 is identified as canceled, since it is the current status of this claim, not being examinable.

In view of the above amendments and remarks it is respectfully submitted that claims 13 and 16 are now in condition for allowance. Prompt notice of allowance is respectfully and earnestly solicited.

Respectfully submitted,
